

MOTAGOI

A) In their format, there are many "Partially met" and "not met" items, which may be attended to by the Public Authority. Some of them are very important.

B) There is a good amount of information in their website. However, under RTI no such disclosure under the head "suo moto disclosures/Section 4 disclosures" is found on their website. It is required (by RTI Act) that Section 4 requirement (of suo moto disclosure) may be prepared sub-section wise of Section 4 of RTI Act (as required by RTI Act) with navigation links to the actual information available on the website.
