6. The grants-in-aid are subject to following further conditions to be compiled with by the State Government:-

(i) Once an eligible Scheduled Tribe (ST) student joins a college/institution, his/her name should be immediately entered in a register along with a photograph by the college/institution authorities.

(ii) A photocopy of this register should also be made available to the District Tribal Welfare Officer who is responsible for disbursement of the scholarships.

(iii) The Ministry of Tribal Affairs has decided to release 50% of the amount disbursed in the previous year under the Post Matric Scholarship Scheme as first instalment (on-account basis) in the first quarter of the financial year itself.

(iv) **The State Government will release this amount to the disbursing agencies in the State within one month of release by the Government of India and a copy of the State Govt. sanction should be endorsed to Ministry of Tribal Affairs without fail.**

(v) In order to distribute funds to everyone in a week fixed for every year, two "Scholarship distribution camps" should be organized in your State every year at predetermined time. These camps should simultaneously be organized in the entire State at a fixed date and time every year. **The District Tribal Welfare Officer or any other Officer with a different designation, who is in-charge of disbursement of scholarship, will ensure that the scholarships are disbursed by the schools/colleges/institutions in the first camp between 7-15 September as first instalment for five months.**

(vi) The disbursement should be done in the presence of a responsible faculty member (s) of the institution/college so nominated by the Principal and officer at the district level of the State nominated by the District Collector.

(vii) Such district officers should certify in the register maintained by the Colleges/Institutions that the "entire disbursement process has taken place under the personal supervision to the genuine and eligible Scheduled Tribe Students only".

(viii) The district officers should also compile the actual disbursements made in the previous year and submit the detailed proposal to the State Government who will complete it further and submit the proposal to the Ministry of Tribal Affairs by November of the financial year. The institution and category-wise number of studies in each category should be indicated in a proforma. The district-wise and State-wise total may accordingly be arrived at and proposal of the state government may be based on the same. The Ministry of Tribal Affairs will thereafter disburse the second instalment by December of the year.

(ix) Just like the disbursement of the first instalment in September of the year, the second instalment to the students for the remaining five months of the year may be disbursed between 20-28 February on the same pattern as the disbursement of the first instalment and submit a report to the State Government that the scholarships to the genuine and eligible students have been disbursed in their presence indicating category wise distribution of the scholarships as per the format.

(x) The State Government will also ensure that the disbursement is made to the eligible students through account payee cheques drawn on banks or post offices. In case, there is any difficulty in opening banks accounts due to reluctance of the banks, the district officer should report the matter to the concerned District Collectors who would prevail upon the bank branches to open bank accounts in the names of the eligible Scheduled Tribe students for this purpose. The State Government's Finance Department or department dealing with institutional finance should also render necessary assistance in this regard.

(xi) The events of disbursement of the scholarships in two instalments as specified above should be given wide publicity throughout the State through local newspapers so that every one concerned is aware of these events and avails of it in time. The basic idea behind two annual camps at fixed timing is that students, staff, teachers & every one concerned gradually becomes used to these dates and disbursement by different States at different times in different years is avoided.

(xii) Any unspent amount shall not be carried forward for expenditure and it should be surrendered to the Central Government as per instructions contained in the Department of Expenditure, Ministry of Finance O.M. No. G-26305/1/77-MF-CGA dated 4th June 1977.
