

6. The grants-in-aid are subject to following further conditions to be compiled with by the State Government:-

- (i) Once an eligible Scheduled Tribe (ST) student joins a college/institution, his/her name should be immediately entered in a register along with a photograph by the college/institution authorities.
- (ii) A photocopy of this register should also be made available to the District Tribal Welfare Officer who is responsible for disbursement of the scholarships.
- (iii) **The State Government will release this amount to the disbursing agencies in the State within one month of release by the Government of India and a copy of the State Govt. sanction should be endorsed to Ministry of Tribal Affairs without fail.**
- (iv) In order to distribute funds to everyone in a week fixed for every year, two "Scholarship distribution camps" should be organized in your State every year at predetermined time. These camps should simultaneously be organized in the entire State at a fixed date and time every year. **The District Tribal Welfare Officer or any other Officer with a different designation, who is in-charge of disbursement of scholarship, will ensure that the scholarships are disbursed by the schools/colleges/institutions in the first camp between 7-15 September as first instalment for five months.**
- (v) The disbursement should be done in the presence of a responsible faculty member (s) of the institution/college so nominated by the Principal and officer at the district level of the State nominated by the District Collector.
- (vi) Such district officers should certify in the register maintained by the Colleges/Institutions that the "entire disbursement process has taken place under the personal supervision to the genuine and eligible Scheduled Tribe Students only".
- (vii) The district officers should also compile the actual disbursements made in the previous year and submit the detailed proposal to the State Government who will complete it further and submit the proposal to the Ministry of Tribal Affairs by November of the financial year. The institution and category-wise number of studies in each category should be indicated in a proforma. The district-wise and State-wise total may accordingly be arrived at and proposal of the state government may be based on the same. The Ministry of Tribal Affairs will thereafter disburse the second instalment by December of the year.
- (viii) The third instalment to the students may be disbursed at the earliest on the same pattern as the disbursement of the first instalment and submit a report to the State Government that the scholarships to the genuine and eligible students have been disbursed in their presence indicating category wise distribution of the scholarships as per the format.
- (ix) The State Government will also ensure that the disbursement is made to the eligible students through account payee cheques drawn on banks or post offices. In case, there is any difficulty in opening banks accounts due to reluctance of the banks, the district officer should report the matter to the concerned District Collectors who would prevail upon the bank branches to open bank accounts in the names of the eligible Scheduled Tribe students for this purpose. The State Government's Finance Department or department dealing with institutional finance should also render necessary assistance in this regard.
