D.O. No.23011/33/2014-FRA

12th October, 2015

Dear Chief Secretary,

Please refer to this Ministry's letters of even number dated 19.12.2014 and 27.4.2015 and the subsequent D.O. letter also of even number dated 7th August, 2015 from Shri Manoj Kumar Pingua, Joint Secretary, in this Ministry regarding expediting recognition and vesting of rights under Forest Rights Act (FRA) with regard to forest lands proposed for non-forest use (copies enclosed).

2. In all the aforesaid letters, it was brought out that the documentary evidence in respect of completion of process of recognition of rights in accordance with the provisions of FRA on the forest land proposed to be diverted be sent at the earliest to the project authorities under intimation to this Ministry. The D.O. letter sent earlier also clearly conveyed that any delay on the part of the State Government in recognizing and vesting of forest rights on the bonafide occupants of forest land is a violation of the provisions of FRA and, therefore, directions were being issued under Section 12 of FRA which empowers the Central Govt. to issue directions from time to time to every authority on implementation of FRA. Attention was also invited to Section 7 of the Forest Rights Act which clearly stipulates that any authority contravening the provisions of the Forest Rights Act or Rules made thereunder shall be deemed guilty of an offence under this Act and shall be liable to be proceeded against and punished. However, this Ministry is yet to receive a response from your end about action having been taken in the matter.

3. In view of above, and in view of the fact that this matter is being closely monitored at the highest level, I shall be grateful if you could personally look into the matter and have necessary action expedited so as to complete the process of recognition and vesting of forest rights and provide the documentary evidence in respect of completion of process of recognition of rights in accordance with the provisions of FRA on the forest land proposed to be diverted to the project authorities under intimation to this Ministry without any further delay. In case the process is likely to take some more time, the present status and reasons for delay may please be intimated to this Ministry urgently.

With ragrds,

Yours sincerely,

Arun Jha

12th October, 2015

Dear Chief Secretary,

Please refer to this Ministry's letters of even number dated 19.12.2014 and 27.4.2015 and the subsequent D.O. letter also of even number dated 7th August, 2015 from Shri Manoj Kumar Pingua, Joint Secretary, in this Ministry regarding expediting recognition and vesting of rights under Forest Rights Act (FRA) with regard to forest lands proposed for non-forest use (copies enclosed).

2. In all the aforesaid letters, it was brought out that the documentary evidence in respect of completion of process of recognition of rights in accordance with the provisions of FRA on the forest land proposed to be diverted be sent at the earliest to the project authorities under intimation to this Ministry. The D.O. letter sent earlier also clearly conveyed that any delay on the part of the State Government in recognizing and vesting of forest rights on the bonafide occupants of forest land is a violation of the provisions of FRA and, therefore, directions were being issued under Section 12 of FRA which empowers the Central Govt. to issue directions from time to time to every authority on implementation of FRA. Attention was also invited to Section 7 of the Forest Rights Act which clearly stipulates that any authority contravening the provisions of the Forest Rights Act or Rules made thereunder shall be deemed guilty of an offence under this Act and shall be liable to be proceeded against and punished. However, this Ministry is yet to receive a response from your end about action having been taken in the matter.

3. In view of above, and in view of the fact that this matter is being closely monitored at the highest level, I shall be grateful if you could personally look into the matter and have necessary action expedited so as to complete the process of recognition and vesting of forest rights and provide the documentary evidence in respect of completion of process of recognition of rights in accordance with the provisions of FRA on the forest land proposed to be diverted to the project authorities under intimation to this Ministry without any further delay. In case the process is likely to take some more time, the present status and reasons for delay may please be intimated to this Ministry urgently.

With ragrds,

Yours sincerely,

Encls: As above
