State Govt. has informed that though they have constituted the SDLC, DLC and SLMC under the Act but unlike the other States where the STs and other traditional forest dwellers are in minority, Arunachal Pradesh is wholly domiciled by various ethnic tribal groups whose land and forests are specifically identified with natural boundaries of hillocks, ranges, rivers and tributaries. Barring few pockets of land under wildlife sanctuaries, reserved forests, most of the land in entire State is community land. Territorial boundaries of land and forest belonging to different communities or tribes are also identified in the same line leaving no scope for any dispute over the possession of land, forest and water bodies among the tribes. Therefore, Forest Rights Act does not have much relevance in Arunachal Pradesh.

Due to high density in forest, only manual survey is feasible. This takes much time.

**Manipur**

Reasons why no action has been initiated for implementation of the Act are not available nor were they forthcoming in the Review Meeting held on 11.11.2008 and also during the Conference held on 4th and 5th November 2009.

Problems/Remarks:

In tribal communities and tribal chiefs are already holding ownership of forest land as their ancestral land in non-Reserved Forest Area. Therefore, implementation of the Forest Rights Act is perceived minimal in Manipur.

The Act was to be approved by the State Legislative Assembly as per the Article 371 (G) of the Constitution. In the sitting on 29.10.2009 of its Fourth Session, the Sixth Legislative Assembly of Mizoram has resolved that the Forest Rights Act shall be adopted in the entire State of Mizoram with effect from 31.12.2009. The same has also been notified by Govt. of Mizoram on 3.3.2010.

| Nagaland  | Government of Nagaland has informed that the land holding system and the village system of the Naga people is peculiar in that the people are the landowners. There are no tribes or group of people or forest dwellers in the State of Nagaland. Hence, the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 per se may not be applicable to the State of Nagaland. However, a committee has been constituted to examine the applicability of the Act in Nagaland as per provision of Art. 371(A) of Constitution of India |

**Sikkim**

The Government of Sikkim has issued a notification dated 28.1.2008 regarding constitution of an Expert Committee for identification of Critical Wildlife habitats in Protected Areas (PAs) and have also constituted the various Committees under the Act namely SDLC, DLC and SLMC, but has not sent any report regarding the progress of implementation of the Act in the State so far.

**Problems/ Remarks:**

In Sikkim, there are no Forest Dwelling STs and Other Traditional Forest Dwellers in the true sense of the terms. Most of the STs of Sikkim hold revenue land in their own name and they are not solely dependent on the forests for their livelihood.
