2. At the outset, it was apprised that the one of the key interventions under PM-JANMAN is Multi-purpose centers (MPCs). This intervention has been conceptualized keeping in mind for such PVTG habitations which may not fit into the criteria for setting up health center or anganwadi or located in remote areas. These MPCs are aimed at providing multiple services to small PVTG habitations under one roof that were previously deprived of services due to non-fulfilment of the criteria under various schemes. A total of 1000 MPCs are to be set up with unit cost of upto Rs.60.00 lakhs for construction. Total funds of Rs.600.00 Cr have been approved by Cabinet for MPCs. As per the guidelines of MPCs for criteria for identification of location in PVTG habitation/villages, the States are to decide on locations of the MPC based on following preference criteria.

Preference 1: May prioritize PVTG habitations/hamlets which are not having Anganwadi Centre (AWC) and Health Sub-Centres.

Preference 2: PVTG habitations/hamlets which are not having Health Sub-Centre.

Preference 3: PVTG habitations/hamlets which are not having Anganwadi Centres

3. Further, it was stated that Ministry is in receipt of proposals of multi-purpose centres (MPCs) under PM-JANMAN in respect of States of Andhra Pradesh, Chhattisgarh, Gujarat, Jharkhand, Karnataka, Kerala, Madhya Pradesh, Maharashtra, Odisha, Rajasthan, Tamil Nadu, Telangana, Tripura, Uttar Pradesh and Uttarakhand. It was also stated that Ministry has shared the allocation of MCPs to be constructed in each state under PM JANMAN Scheme.

4. AS (NJK) complemented all states for sending proposals in a short time. He stated that the target given to each state is based on PVTG population of that state and the gaps identified by the states on PM Gati Shakti Portal. AS (NJK) also highlighted that as PM JANMAN is a new scheme, the States have been requested to open a SLS account and SNA account and map the same with the PFMS code of PM JANMAN. A dedicated module has been created in PM Gati Shakti Portal. The data in respect of these MPCs need to be updated on the PM-Gatishakti Portal

5. Thereafter, the number of proposals received from State Governments, State-wise, were appraised:
