Minutes of the Review Meeting with State/UTs

A review meeting with States/UTs was held under the Chairmanship of Secretary, Tribal Affairs, Government of India virtually between 7.06.2021 to 14.06.2021 to review and discuss various issues under the schemes of the Ministry. List of participants is at **Annexure 1**.

2. During the meeting the following agenda points were discussed in details with the States.
3. **Agenda 1: Pending UCs and PPR**
 - a. The matter of submission of UCs was discussed in details and the States were requested to furnish the pending UCs at the earliest so as to facilitate further release of funds under various schemes.
 - b. The scheme wise UC pendency status is at **Annexure 2**.

Agenda 1.1: Sharing of Best Practices which can be adopted.

- a. Ministry has been funding a wide range of projects including livelihood, health, infrastructure, education etc based on the requirements of States. In order to know the impact of these projects in changing life of tribal people and tribal areas at large, the States have been asked many times to submit best practices and share a brief on at 1-2 projects undertaken in last 3-4 which can be showcased. Based on inputs from States, Ministry would like to do impact study and would collect photos, videos and reports on success of the project. States were again requested to submit the success stories and best practices.
 - b. Adigrams portal which launched by the Ministry also has provision for sharing the same. The States may make use of the portal to highlight their achievements and facilitate knowledge sharing through the best practices.
4. **Agenda 2: Status of submission of proposals for 2021-22 financial year after due approval of Empowered Committee.**

The PAC meeting for the year 2021-22 will held as and when States submit their proposals for current year. For this States were requested to prepare their annual action plan for the schemes of PVTGs and Article 275 (1) and submit the same after due approval of the empowered committee. The following aspects may be kept in mind while preparing the proposal:

- a. The proposal should be prepared keeping in view the overall share of allocation under the particular scheme. In case the proposal is of a higher amount than the share of allocation then the projects should be listed in the order of priority.
- b. Prior to submission of proposals, States must ensure that details of the projects sanctioned during last 3 years are entered in Adigrams portal.
- c. Since the scheme of SCA to TSS is being revamped as a new scheme, any committed liability under the old scheme of SCA to TSS must be incorporated in the proposal for Article 275 (1) grants.

- d. In view of the unprecedented Covid 19 crisis, health related projects may be given priority while submitting proposals.
- e. In PAC meeting, the projects are approved based on entitlement of State for a particular financial year. However, funds are released to States based on the submission of UC and uploading of PPR. If a particular project is approved by PAC and funds for that project has not been released to State, and State wants to take that project, the State would be required to bring that project in next year PAC. States were asked to reconcile projects sanctioned in PAC and funds released in the following format before bringing proposals for current year, so that committed liabilities for previous projects can be sanctioned first.

FY	Project sanctioned by PAC	Amount released for the project	Committed liability

- f. States are also requested to take projects related to tribal health and Sickle Cell as communicated by Secretary (TA) to Chief Secretary of States vide DO No 17014/01/2015-SG(II) dated 18.06.2021

5. Agenda 3: Uploading of data on Adigrams (www.grants.tribal.gov.in), EMRS (www.emrs.tribal.gov.in) and Scholarship Portal.

- a. It is seen that while uploading of data at State level is being done, uploading of financial data and physical progress at the level of Implementing Agency was yet to commence in most cases.
- b. Further, financial progress of projects indicated that funds, though released by Central Government, for implementation of the sanctioned projects, were not further released by State Governments/UT Administration to the Implementing Agencies, thus delaying the projects and possibly leading to escalation in costs.
- c. Keeping this in view, all State Governments/UT Administrations are requested to look into whether funds have been released to Implementing Agencies and if so, to monitor the progress of the works, so as to complete them in a time bound manner and to correspondingly upload the progress on the portal.
- d. In case funds have not been released by the State Governments/UT Administration to the Implementing Agency, the same may be followed up with the concerned authorities so that the projects get completed in an expeditious manner.
- e. There is no need for sending separate physical progress report (PPR) for the projects sanctioned in earlier years under SCA to TSS, Article 275 (1) and PVTGs. The data uploaded in Adigrams portal shall be considered as PPRs and therefore, the process of data uploading in the portal needed to be expedited.
- f. The State/UT- wise position of uploading on Adigrams portal is at **Annexure 3**.

6. Agenda 4: Eklavya Model Residential Schools

a. Identification of land for EMRS sanctioned between 2018-19 & 2020-21 and to be sanctioned during 2021-22.

During 2018-19 to 2020-21, in respect of 216 locations, all land related formalities have been completed and sites have been handed over to the construction agencies. There are still 84 locations for which land formalities are to be completed by the concerned States/UT. State/UT wise summary is at **Annexure 4**. Similarly, out of the 152 schools to be sanctioned during 2021-22, only 32 locations have been identified by the States.

The State/UT Governments are requested to take proactive action in identifying suitable land and complete all the required formalities before handing over the land to the construction agencies. This may be expedited and land at all remaining locations needs to be handed over to the agencies as committed by the States during the meeting. States were requested to intimate locations where there are issues in finding land.

b. Progress of construction of EMRSs sanctioned prior to 2018

288 EMRSs were sanctioned prior to 2018 under Article 275 (1). Out of this construction has been completed at 198 locations while construction is in progress in 70 locations. The work of construction is yet to start in 20 locations. State wise summary is at **Annexure 5**. This is a very critical matter as many of these schools were sanctioned long back. The State Governments are requested to review the progress of these schools individually and take necessary steps to complete the construction work at the earliest. Those schools where land availability is difficult, should be communicated and alternate locations should be suggested.

c. Status of CBSE affiliation of EMRSs under State Board

Out of the 367 schools currently functional only 192 schools are affiliated to CBSE. As per the MoU entered between NESTS and State EMRS Society, the affiliation of all functional schools to CBSE have to be completed in a time bound manner. States may submit their applications of the remaining schools with CBSE and also share the details with NESTS for necessary follow-up with CBSE in case they are facing any problem. NESTS was asked to organise a meeting with Commissioner CBSE for this purpose and resolve any issues pending with CBSE.

d. Adoption of RR framed by NESTS to be adopted by State Societies

NESTS had circulated model Recruitment Rules among the State EMRS Societies and the same was supposed to be notified by the State EMRS Society. The same may be expedited as the process of a centralised test through NTA is in progress. NESTS may complete this exercise in a time bound manner and upload the necessary data in Information booklet. As the teachers and other staff of EMRSs were to be recruited by the respective States, it was essential that the RRs must be notified at the earliest. States assured that the RRs will be notified as early as possible.

7. Agenda 5: Scholarships

- a. All States/UTs are requested to release scholarship amount to students for the academic year 2020-21 urgently and submit UC and data on DBT Portal on priority.
- b. States were asked to submit schedule for opening online scholarship portals for 2021-22 and submit proposals for 2021-22.
- c. All States/UTs need to upload complete beneficiary data under Pre-Matric and Post-Matric Scheme for the year 2019-20 and 2020-21 on DBT Tribal Portal of the Ministry.
- d. It was requested that Statement of expenditure (SoE), Proposal and Utilization Certificate (UC) must be furnished by States/UTs so that further funds can be released under Pre-Matric and Post-Matric Scholarship Scheme.
- e. States/UTs to ensure that the scholarship amount is released to eligible ST beneficiaries in time so that their study is not hampered. As the Central component depends on the release of the State share, it is necessary that States/UTs complete their verification processes in time.

8. Agenda 6: Initiatives taken in tribal areas in view of COVID 19 crisis

- a. State Governments have been requested earlier to periodically update the Ministry with the various steps/ initiatives being taken in tribal areas in view of the Covid 19 crisis.
- b. Many States shared the steps being taken in different spheres including livelihood and health related aspects.
- c. It was emphasized that steps may be taken to organize special drives in the tribal areas for vaccination and in the PVTG dominated areas.
- d. Awareness programmes in the local tribal language could also be organized in the tribal areas.
- e. State/UT Tribal Welfare Departments must be in continuous contact with the district officials of tribal areas so that urgent action may be taken for both preventive measures and treatment.

9. Agenda 7: Invitation to National and International achievers/celebrities as "Special invited Guests" to the Republic Day Parade, 2022.

- a. States have been requested to identify and provide name & contact details of tribal achievers whom the Ministry would like to recommend for inviting to the 75th Year Republic Day Parade celebrations and indicate a special contribution/achievement of the person in a few lines. Ministry of Defence has stated to not include any serving officials in the list for whom invitations will be sent as per usual protocol.
- b. Information has been received only from Rajasthan and Uttar Pradesh. Other State/UT Governments are requested to expedite the matter and share the details at the earliest.

10. Agenda 8: Integrated village development scheme

- a. It was informed that MoTA is in the process of implementing a transformed scheme of 'Special Central Assistance for Tribal Development (SCA for TD)' also called 'Pradhan Mantri Adi Adarsh Gram Yojana (PMAAGY)' with the aim of transforming villages with significant tribal population into model village (Adarsh Gram) in a phased manner wherein ST people would have access to basic services and infrastructure facilities to enable them live with dignity and utilize their inherent potential to the fullest. State Government was also informed of the D.O. letter written by Secy (TA) to all the Chief Secretaries and Principal Secretaries on 26.05.2021 for preparatory exercise to be done for smooth implementation of the transformed scheme of Special Central Assistance for Tribal Development (SCA for ITVD). Village-wise data and broad contours of the scheme of SCA for TD were also shared with the States/UTs.
- b. The scheme of SCA for ITVD will facilitate ST people to have access to basic services and infrastructure facilities by covering gaps in 14 sectors of development through appropriate convergence of resources at State Tribal Sub-Plan (TSP), Schedule Tribe Component (STC) with Central Line Ministries, Finance Commission grants, District Mineral Funds etc. MoTA has conducted a gap analysis based on Census 2011 data and Mission Antyodaya data maintained by the Ministry of Rural Development (MoRD). Through the analysis it has been found that there are about 1,45,000 tribal villages with ST population $\geq 25\%$ where gaps exist in various sectors of development including health, education, livelihood, housing, road connectivity, mobile internet connectivity, vocational training, drinking water, electric supply etc.
- c. In the first phase of five years, 36428 villages with at least 50% tribal population and 500 STs will be taken up under the scheme. Secy (TA) emphasized that State Government may verify this village-wise gap analysis data and prepare an Action Plan for villages to be taken up during 1st year of implementation i.e., 2021-22 while ensuring convergence of resources at State Tribal Sub-Plan (TSP), Schedule Tribe Component (STC) with Central Line Ministries, Finance Commission grants, District Mineral Funds etc. as detailed in Broad counters of the scheme of SCA for ITVD. Most of the States responded that as per the letter written to Chief Secretary, preparatory work has been started to identify village database and do consultations among related departments.

11. Agenda 9: FRA

- a. The hearing in the Hon'ble Supreme Court in the pending case may be expected to take place soon. State Governments and UT Administrations are requested to ensure that the contents of their respective affidavits filed in the Hon'ble Court be adhered to. States/UTs should also keep in mind the timelines that have been submitted to the Court.
- b. Data on rejection of cases should be thoroughly examined and reasons for rejection should be documented for each case.
- c. State wise status of receipt of MPR and other issues is at **Annexure 6**.

12. Agenda 10: NCST Annual Reports Compliances.

- a. The National Commission for Scheduled Tribes (NCST) submitted its 12th Report for the year 2016-17 to the President which was communicated to all the concerned Governors / Lt. Governors of the States/UTs vide this Ministry's letter no 18012/01/2020-NCST dated 28.07.2020. The NCST also submitted its 13th Report for the year 2017-18 which was again communicated to all the concerned Governors / Lt. Governors of the States/UTs vide this Ministry's letter no 18012/02/2020- NCST (pt.) dated 13.08.2020.
- b. The State/UT Governments were requested that the recommendations /observations contained in the said report pertaining to the State Govt./UTs may please be examined on priority basis and a report indicating the action taken or proposed to be taken on the same or reasons for non-acceptance or recommendations /observations as the case may be laid in the respective legislature as per clause 7 of the Article 338A of the Constitution and furnish action taken report to this Ministry.
- c. Secretary (TA) emphasized upon the great significance of these Reports of the Commission and advised the Principal Secretaries/ Secretaries to personally supervise the matter, so that there is no delay in reporting on Action Taken.

Agenda 10.1 Status of National Tribal Policy and Xaxa (HLC) Committee

- a. A High-Level Committee (HCL) under the chairmanship of Prof. Virginius Xaxa had been constituted on 14.08.2013 to prepare a status paper on socio-economic status of Scheduled Tribes and suggest way forward.
- b. The HLC submitted its report on 29.05.2014 containing 108 recommendations cutting across various issues being dealt with by different Central Ministries / Department as well as State Government viz (i) Legal and Administrative framework (ii) Livelihoods and Employment Status, (iii) Education, (iv) Health, (v) Land Alienation, Displacement and Enforced Migration (vi) Legal and Constitutional Issue and (vii) Delivery of Public Goods and Services.
- c. Recommendations were forwarded to 20 Ministries / Departments and 28 Tribal Welfare Department of States to furnish their views. 20 Ministries and 16 state Governments have furnished their views so far. Thus, views from 12 state Governments are yet to be received.
- d. States/UTs are requested to furnish their inputs at the earliest, so that it can be used in formulation of the National Tribal Policy.

13. Agenda 11: Monitoring of State TSP

- a. Ministry vide letter No. 14014/42/2019-TSP dated 17.05.2021 requested to the State Govt. to share Allocation and Expenditure under State Tribal Sub Plan during 2020-21 to 2021-22. The same may kindly be expedited and submitted at the earliest.
- b. States/UTs have to earmark TSP funds from the total plan outlays (not excluding the investments under Externally Aided Projects and any other

scheme), not less than the population proportion of STs in State as per 2011 Census. It has been observed that there has been less allocation under the State TSP in some States. States were advised to ensure proportional budgetary allocation.

- c. States have to constitute an Executive Committee, chaired by Chief Secretary to be responsible for appraisal of the TSP schemes of different line departments for inclusion in Annual TSP. Most of the States have constituted Executive Committee under the chairmanship of Chief Secretary.
- d. It was also impressed upon the States that ensuring optimal utilisation to get outcome-based results is more important than just making proportional allocations.

14. Other Issues:

a. Procedure for release of funds under the Centrally Sponsored Schemes (CSS) and monitoring utilization of the funds released:

In reference with the DoE (Ministry of Finance)'s letter vide F.No.1(13) PFMS/FCD/2020 dated 23.03.2021 regarding procedure for release of funds under the Centrally Sponsored Scheme (CSS) and monitoring utilization of the funds released, all the States/UTs are requested to undertake preparatory activities on priority to implement the new procedure from the stipulated date i.e., 1st July, 2021.

b. Vigilance Matters:

- i. State Government of Madhya Pradesh is yet furnish the final report on the issue of complaints received regarding diversion of funds released to Govt. of MP for Organic Agriculture Support Programme under the scheme of SCA to TSS and PVTG.
- ii. State Government of Jharkhand is yet furnish the final report on the issue of complaint regarding misappropriation of public funds by a voluntary organization. The said fund/ grant in aid was released under the scheme of Grant in aid to Voluntary Organisation working for the welfare of STs.

c. Parliament Matters:

State Government of Uttar Pradesh to furnish the desired information/comments so as to enable this Ministry to fulfil long pending Lok Sabha Assurance on LSUQ No. 3456 dated 08/08/2016 raised by Shri Bhairon Prasad Mishra, MP regarding "**Vacant quota for ST in Government job**".

Based on the information forwarded/received from Social Welfare Department, Government of UP, the following part of reply has been treated as an assurance:

"However, if vacancies of reserved category remained unfilled, then these may be filled up in coming selection year through special recruitment drive".

Mizoram		FRA is stated to have been revoked in the State w.e.f. 19 th Nov, 2019 vide No. A-14018/11/2016-SWD dated 11.02.2020.
Tamil Nadu	Dec, 2020	15000 applications under FRA are stated to be pending. They have been sending MPR regularly. The last MPR they sent is for the month of Dec, 2020. The State was asked to send MPRs for rest of the months. The State raised the issue of giving fund for scanning, online R&R etc for facilitating FRA implementation and in response, the State was told that if they want funds for FRA from MoTA, they could send proposal under Art, 275 (1) or SCA to TSS
Rajasthan	April, 2021	MPR for April, 2021 received after MPR for December, 2020. So, state was asked to send MPRs for the months of Jan, Feb, March and May, 2021. The State committed that community rights recognition process, in which State is lagging behind, will be taken up. Due to Covid, FRA process became slow, but State promised to expedite it and residual patta will be given in a planned manner following due process of law.
Karnataka	March, 2021	MPR for February and March, 2021 just received by MoTA, which, it was stated by JS, RJ, is presently under examination. Secretary, TA pointed out to the State that pendency of FRA application is very high, Total pendency shown by the State is 94826. Secretary, TA said that proper process should be followed to clear pending FRA applications and total community rights should not decrease. JS (RJ) pointed out that last correct information with regard to MPR received from the State Government of Karnataka is for the month of March, 2018 and

State/ UT	Last MPR received	Remarks on the review
		subsequent MPRs received only for the months of September, October, November and December, 2020 not showing the reconciled figures.
Manipur		The State has reported that they have created log in & user id at two levels (level of State Nodal Officer for FRA and level of Pr Secretary Tribal Welfare Department) to enter the required information in the portal for feeding the data on monthly basis related to progress in FRA implementation in the State for the purpose. The exercise for doing so, it is stated by the State, has been expedited and will be uploaded very soon. The Deputy Commissioner of the District concerned is stated to have been directed to furnish the necessary reports, however, due to covid 19 pandemic, no substantial report has been submitted by the Deputy Commissioners till date.
Gujarat	April, 2021	The State has been advised to expedite disposal of pending claims under FRA. The State was asked about the reason for so large number of rejection of claims under FRA. Multiple claims were pointed out to be the main reason for large number of rejections. State has been advised to follow due process of law while disposal of pending claims as well as reviewing of rejected claims.
Bihar	Jan, 2017 (Jan, 2021 but not correct)	Secretary, TA has stated that a separate meeting will be taken with Bihar on the State issues including FRA issues.
Chhattisgarh	Dec, 2020	After September, 2018, the State has sent MPRs for six months from July, 2020 to Dec, 2020 very recently. State is required to send MPRs regularly. They may send MPRs for the months from January, 2021 to May, 2021. The State has raised the issue relating to the FRA portal regarding the total number of claims received at SDLC and DLC. The issue is also stated to have been shared with MOTA through email where details are given. The issue needs examination by MoTA to see as to whether there is substance in the issue raised or otherwise.
Himachal Pradesh	March, 2021	MPR of March, 2021 has been received by MoTA in respect of Himachal Pradesh.

State/ UT	Last MPR received	Remarks on the review
Kerala	April, 2021	
Madhya Pradesh	May, 2021	<p>The State Government has developed FRA Van Mitra Portal, which is shown as one of the best practices adopted by them. Various features of the portal were exhibited by the State Government in their PPT including the facility the portal provides to the common villagers that with the help of nearest common Service Centre, village level Forest Rights Committee and Individual can file its Community Forest Rights and Individual Forest Rights claims online respectively. The State Government was, however, advised to take due care about the security of system generated patta and they were also advised to follow physical system for verification as envisaged under FRA protocol.</p>
Tripura	May, 2021	<p>The State has informed that they have 68255 cases of rejected claims under FRA which needs review and they were advised to expedite the same as Supreme Court hearing in the matter may come at any date. The State, it is observed, is regularly sending MPRs, but they need to see that information, they are sending, is not stagnant.</p>
Uttar Pradesh	April, 2021	<p>The State Government has started uploading the information on MPR in Dec, 2020 after January, 2017 and no corresponding change / increase in the extent of land distributed under FRA, 2006 was reported in the MPR.</p>
Maharashtra	May, 2020 (April, 2021 but not correct)	<p>The State Government of Maharashtra has been uploading the implementation of FRA in FRA Portal. However, discrepancies [declining titles / land figure (CFR)] in the MPR found after May, 2020 to April, 2021. The State Government was, therefore, advised to send correct MPRS for the said period.</p> <p>In respect of review of rejected claims, State Government was advised to ensure that due process of law (communication of reasons for rejection at each level etc) has been followed in the process to be prepared before Supreme Court hearing.</p> <p>1752 cases under FRA were reported to be pending in the State.</p> <p>Success stories of bamboo plantation / fishing on FRA land Community Forest Management success</p>

State/ UT	Last MPR received	Remarks on the review
		stories were brought out and the State was requested to formally share these stories with FRA Division of MOTA.
Uttarakhand	March,2021	Rejection of claims under FRA were shown very high. They were advised to ensure that due process of law (communication of reasons for rejection at each level etc) has been followed in the process to be prepared and be able to defend themselves before Supreme Court in the next hearing in the matter.
Assam	Dec, 2016	The last MPR received from the State is for the month of December, 2016. They were, therefore, requested to send MPRs up to May, 2021. They were specifically asked as to whether they were progressing or not. They were advised to be prepared before Supreme Court hearing to defend themselves in the matter of rejection of claims and they were also advised that they may ensure that there is no self-contradiction while appearing before Supreme Court in the matter.
Jharkhand	March, 2019	<p>Latest MPR received from the State Government of Jharkhand is for the month of March, 2019 and the State was communicated that no updated information has been received till then.</p> <p>The State was advised to ensure that due process of law (communication of reasons for rejection at each level etc) has been followed in the process so as to be prepared and be able to defend themselves before Supreme Court in the next hearing in the matter. As the State was not clear about the issue of review of rejection cases, it was, therefore, specifically made clear to them to see that the rejection of cases, done if any, on review, is done only at DLC level after following due process laid down in the Act.</p>
Goa	March, 2021	<p>The State Government has sent latest MPR for the month of March, 2021.</p> <p>They have informed that they are considering to file additional affidavit in the Hon'ble Supreme Court in the month of July, 2021 submitting the status report on FRA specifically stating that due to Covid, progress could not be made for reviewing of rejected cases following due process of law.</p> <p>They were also told that on the Gram Sabha quorum issue, MOTA has sought clarification from the State</p>

State/ UT	Last MPR received	Remarks on the review
		as to which of the four kind of Gram Sabhas as enumerated in Section 2 (p) of FRA, 2006 have been adopted by the State Government. It was informed by the State that requisite information will be provided by them to MOTA in a week for resolving the issue of Gram Saba quorum under FRA, 2006
Telangana	Jan. 2018 (April, 2021 but not correct)	State Government has sent the last correct MPR in January, 2018
Sikkim		No cases of FRA are stated to be of hand now. A factual report on the issue of the allegation of illegal commencement of Sevok Rangpo Rail Link Project made by Shri Raju Bista, Hon'ble MP was called for from the State and as the same not received so far, they were asked to send the same expeditiously.
Jammu & Kashmir		MPR for the state has not been submitted to MOTA since FRA was made applicable in the State in 2019. State was asked to send the report to MOTA on monthly basis.
Andaman & Nicobar		The Union Territory Administration was informed that the issue of FRA implementation in the territory should be resolved in consultation with Ministry of Law / MHA
Andhra Pradesh	Dec, 2019	The latest correct MPR on the implementation of FRA, 2006 received for the month of December, 2019.

2. Other issues relating to specific states

State/UT	Remarks on the review
Odisha	Regarding the issue related to the Rehabilitation and Resettlement (R&R) proposal of the Hidising Irrigation Project in Angel District of Odisha regarding clearance of R&R from MoTA, it was pointed out that information in the prescribed three Check Lists were called for from the State Government on 25.09.2019 followed by reminder dated 25.11.2020, but information from State Govt. not received.
Karnataka	In respect of the issue of eviction of Jenu Kuruba tribals community , as the State has not sent final report to MoTA, they were told to furnish final comprehensive report as early as possible in the matter. State was advised that if there is problem in getting report from Forest Department, help of Chief Secretary may be taken to expedite the report.
Manipur	By and large, the State of Manipur, it has been informed by them, has no record on the issue of rehabilitation and resettlement, eviction of settlers and further, no settlers are evicted or resettled under the provision of FRA, 2006
Arunachal Pradesh	Information in prescribed three Check Lists in respect of three Irrigation Projects, it was pointed out, have not been received by MoTA despite letters / reminders to the State Government. State Government has been requested to furnish the information at the earliest.
Uttarakhand	Factual report on Van Gujjar families, sought for by MOTA from the State Government, has not been furnished by the State Government and hence, they were asked to furnish a final and complete report to MOTA in the matter.
Telangana	Issue of forceful eviction of eighty Koya tribal families by the Forest Department from the cultivated forest land while undertaking plantation on the land of families was raised. As the issue is of grave concern, State Government was asked to furnish complete report on 25.8.2020 followed by regular reminders from MOTA. They were asked to send the requisite report. Issue of Internally Displaced Persons (IDP) from Chhattisgarh to Telangana was also raised wherein a report from the State Government was called for in the last year followed by regular reminders. The State was asked to send the report expeditiously.
Jammu & Kashmir	Apart from above, issue of eviction of forest dwellers by the Forest Department and consequent issue of in situ rehabilitation under Section 3 (1) (m) was raised and the State was asked to refer the matter to MOTA, if required, after its due examination.
