Socio Economic Survey

ON

PTGS (REANG) FAMILIES OF TRIPURA, 2016.

TW(TRP & PTG) DEPARTMENT

GOVT. OF TRIPURA

PREFACE

The lush green hills & undulating terrains with its greeneries offer exquisite beauty to the beholder of the state of Tripura.

In North east, 2 tribal ethnic groups were identified as, Particularly Vulnerable Tribal Groups (PVTGs) by the Government of India. The Reangs of the State were identified as the only PTG in Tripura. The first (Base line) survey was taken up by the TRP & PTG Department in 2008. After 5(five) years another such survey was conducted during 2013 by the TM(Tribal Rehabilitation in Plantation & Particularly Vulnerable Tribal Group) Department.

During the review meeting of the Department, Hon'ble Chief Minister desired that another survey should be done this year. TM(TRP & PTG) Department, accordingly, had taken up the survey through the Departmental staff who had taken tremendous trouble to accomplish the job. Their labour has helped to bring out this Booklet "Socio-Economic Survey on PTG of Tripura, 2016". During this survey the staff had gone to every hamlet of PTG, consulted the Gram Panchayats/Village Committees/Pradhans and Chairmen and also the records maintained by such institutions at the grass root level. All efforts have been made to make the survey perfect. Since it is a socio-economic survey and contains voluminous information, it may not be perfectly flawless.

Socio-Economic Survey on PTGs (Meang) of Tripura, 2016.

Special features of the report :-

- Increase in Meang population by 7.58% over the last survey, during 2013 by the TRP & PTG.
- Living standard of PTGs has been upgraded and small percentage of population already living near by urban places like Agartala.
- Use of electricity, Government job, Private job, use of piped water for drinking has been increasing in comparison of last survey, 2013.
- Number of BPL families (23.288) reduced by 13.54% compared to last survey (26,787).
- Literacy rate is 69.06% higher by 3% compared to last survey (66.08%).
- Out of 58 Blocks in Tripura PTG population is concentrated at 28 Blocks.
- Survey conducted in 6 District of Tripura, out of 8 District, there is no PTG habitation in West District & Sepahijala Districts.
- Number of Hardcore Jhumia families are 13,915. The reduced percentage is 37.25% than that of 2013 (22,176).
