D.O. No. 22040/30/2012-NGO(Pt)

Dated: 2<sup>nd</sup> March, 2022

*Dear Pr. Secy,*

Ministry of Tribal Affairs had called for applications from NGOs for their ongoing projects being funded by this Ministry under its Scheme of "Grant in Aid to Voluntary Organizations working for the welfare of the Scheduled Tribes". The status of the applications submitted by the NGOs, as on 24.02.2022, are as under: -

Applications submitted by NGOs	369
Applications recommended by State Government	175
Applications pending with State Government	95
Pending with District Authorities	88
Rejected by District Authorities	11

2. As the projects under consideration are ongoing, which have already been approved by the State Level Committee, these do not require to be considered by the State Level Committee once again. However, they need to be recommended by the Principal Secretaries of Tribal Welfare Department of the State Government.

3. As only one month remains in the current FY 2021-22 and only half of applications have been forwarded to the Ministry by State for Grant-in-Aid for 2021-22, it is requested that all pending applications found suitable may forwarded to the Ministry urgently with your recommendation at the earliest.

With regards,

Yours sincerely,

*Navaljit Kapoor*
