1	Research and Evaluation Projects				
1	Diagnostic Study on Forest Fire in TSP areas of Odisha & M.P	35.00	35.00	15.00	<p>Approved</p> <p>Director (SCSTRTI), Odisha elaborated that under the project it is proposed to cover 15 forest areas / wildlife sanctuaries / bio reserves which would be divided as 5 areas (where forest fires have increased); 5 areas (where forest fires have declined) and 5 areas (where forest fires have been negligent) and it will be conducted in consultation with IIFM.</p> <p>Secretary (TA) remarked that it would be more appropriate if ground level staff of forest departments are involved in the study as they would provide better insights / inputs on the matter. Further, TRI should envisage visiting other States also where there are increased incidents of forest fires and if possible, do some case studies of real incidents. Secretary (TA) further asked whether Geological Survey of India was also involved in project related to 1000 streams by TRI Odisha.</p> <p>Director (SCSTRTI), Odisha clarified that they would be consulting ground level staff of forest d</p>
