2. **Approach Road Proposals approved by the PAC** –The PAC observed that all States have been asked to ensure that basic infrastructure facilities like Road connectivity, Water Supply, teacher accommodation, class room and boundary wall etc. should be available for EMRSs which was set up under Article 275(1) of the Constitution. In the recent review taken by Hon'ble MTA many construction agencies have pointed out that one of the reasons for the slow construction is the lack of connecting road to the schools because of which there are difficulties in transportation, lack of water and electricity. The states were asked to send final proposals based on the gaps in consultation with NESTS. The NESTS has confirmed the following requirement of proposal related to road connectivity: -
