PAC approved the above-mentioned proposals subject to condition that State will ensure that technical and administrative scrutiny of estimates for the work is done by competent authority as per provision of DFPR applicable in the State and project is executed by Govt. agency in a transparent manner.					
Grand Total			2520.00	2070.00	

New Proposals: -

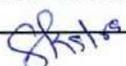

The PAC observed that all States have been asked to ensure that basic infrastructure facilities like Road connectivity, Water Supply, teacher accommodation, class room and boundary wall etc should be available for EMRSs which was set up under Article 275(1) of the Constitution. In the recent review taken by Hon'ble MTA many construction agencies have pointed out that one of the reasons for the slow construction is the lack of connecting road to the schools because of which there are difficulties in transportation, lack of water and electricity. The states were asked to send final proposals based on the gaps in consultation with NESTS. The NESTS has suggested the following requirement of proposal related to quarters: -

S. No.	Name of EMRS	Present availability of quarters	No. of Quarters in blocks to be constructed	Amount	Remarks
1.	EMRS Diphupar	20	1	180.00	As per comments below: -
2.	EMRS Tuensang	7	2	360.00	
Total		27	3	540.00	
PAC approved Rs. 540.00 lakh for 2024-25 subject to the condition of administrative approval by SLEC and State will ensure that technical and administrative scrutiny of estimates for the work is done by competent authority as per provision of DFPR applicable in the State and project is executed by Govt. agency in a transparent manner.
